好就是，呃，我们的对话将被用到我的录音，然后，如果，呃，你同意的话，那么我们即将。

Well, um, our conversation will be used in my recording, and if, um, you agree, then we are about to proceed.

好的，好的。

Okay, okay.

好

It is good

好的，那我开始了。嗯，第一就是你想改变自己外貌哪个部位?

Okay, then I'll start. Um, first, which part of your appearance would you like to change?

脸型

Face shape

Are脸型。

Are face shapes.

啊那你为什么想改变这个部位呢?

Ah, why do you want to change this part?

我因为这个脸型有点儿不好看，有点儿影响，有点儿影响美貌颜值。

Because this face shape is a bit unattractive, it somewhat affects my

appearance and beauty.

你觉得你自己想改变外貌的最主要的原因是什么?

What do you think is the main reason you want to change your appearance?

嗯，就是觉得这个天生的这个外貌不好看嘛。所以通过改变一下，让自己变。

Well, I just feel that this natural appearance is not very attractive. So, by making some changes, I can improve myself.

那这个想法主要是来自于你自己呢？还是说受到了外部因素的影响?

Is this idea mainly from yourself, or is it influenced by external factors?

小

Small

一部分来自于自己，一部分来自于外部民宿。

Partly from myself, partly from external influences.

社交媒体，或者是。

Social media, or so.

他人的评价或者是社会审美标准有没有影响你的想法?

Have others' opinions or societal beauty standards influenced your thoughts?

啊，我觉得最重要的是社会审美标准吧。然后，嗯，还有社交媒体，主要现在就很这个不同的，这个颜值的这个流行程度就是一直在变什么的，我感觉网络这个还是挺影响的，主要是这个社会上，嗯，那你大概是从什么时候想去改变这个部位呢?

Ah, I think the most important thing is societal beauty standards. And then, hmm, also social media. Mainly, nowadays, the trends in appearance keep changing and all that. I feel like the internet has quite an influence. Mainly, it's about society. Hmm, so when did you roughly start thinking about changing this part?

大概就是。

That's roughly it.

就是这几年互联网比较发展的时候，然后自己也长大了的时候。嗯，那如果没有社交媒体的影响，也没有任何人去评价你的外貌，你还会想改变吗?

It was during these past few years when the internet developed more, and I also grew up. Hmm, if there were no influence from social media and no one commented on your appearance, would you still want to make a change?

可能就不太会想吧，因为如果没有这些人说，或者是没有这么发达，知道，唉，就比如说哪些是真的挺好看的这些的话，嗯，你可能对这个审美也没有一个标准的认知，你就觉得啊，这样也不错，就你不知道就是每真正是啥样的。

Maybe I wouldn't really think about it, because if no one said anything, or if it wasn't so developed, you know, like knowing which ones are considered really good-looking, hmm, you might not have a standard understanding of aesthetics. You'd just think, ah, this is fine, since you wouldn't know what the ideal really looks like.

好的，那我现在将根据，嗯，你对外贸这个追求呢，我将为你 AI1张你理想型的照片，呃，我 AI 后的这个图片呢，是完全基于你对呃外貌的想去调整的部分去做一个 AI。

Alright, I will now create an AI-generated photo of your ideal type based on your pursuit of appearance. The AI-generated image will be entirely based on the parts of your appearance that you want to adjust.

并不代表现实，生生活中我们去做这个医美，他就一定能完，达到我们的个人理想化。嗯，那我开始了。

It does not represent reality. In real life, undergoing cosmetic procedures does not necessarily achieve our personal ideal. Hmm, I'll start now.

请给我一些时间。

Please give me some time.

好的，这个是 AI 以后的照片，嗯，就是你看这张照片你觉得它还像你自己吗?

Alright, this is the AI-generated photo. Hmm, looking at this photo, do you think it still resembles you?

呃，我感觉还行吧，一半一半吧，嗯，那如果说就是，呃，这张照片以后你看了这张照片以后，你有没有想继续去调整？或者是你觉得，呃，没有想去调整的就是，呃，以前想去调整现在不想去调整的部位呢?

Uh, I feel it's okay, about half and half. Hmm, so after looking at this photo, do you feel like continuing to make adjustments? Or do you think there are parts you previously wanted to adjust but now don't want to anymore?

嗯，有吧，如果有些部位变得奇怪了这我就不太想调整。

Hmm, yes, if some parts become strange, then I wouldn't really want to adjust them.

嗯，那如果说就是，嗯。

Hmm, so if it's like, hmm.

你变成这样以后你觉得还是你自己吗？你还开心吗？

Do you feel like yourself after becoming like this? Are you still happy?

是变美了，肯定开心。我做这个的前提绝对是因为，嗯，做完之后让自己更开心了。但是，嗯。

It has made me more beautiful, so I'm definitely happy. The premise for me doing this is absolutely because, hmm, after it's done, it makes me happier. But, hmm.

肯定会开心啊嗯，好的，嗯。

Of course, I would be happy. Hmm, okay.

那，嗯，我看一下啊，那就是嗯嗯，你看看这张照片以后你还是想要去调整吗？还是觉得，呃，你需要再考虑一下再再去调整。

Well, hmm, let me take a look. So, hmm, after looking at this photo, do you still want to make adjustments? Or do you think, uh, you need to reconsider before making further adjustments?

嗯，可能不全部调整调整一部分吧，但是也不按照照片完全去。

Hmm, maybe not adjust everything, just a part of it, but not entirely according to the photo.

好的，好的，行行，谢谢你的参与，再见。

Alright, alright, sure, sure, thank you for your participation, goodbye.
